01 / THE ROUTE

Links between documents

Choose a destination. Each field-guide link opens another window.

01 **Start at the cover** >

Open field-guide.pdf at page 1

02 **Read the field log** >

Open field-guide.pdf at page 8

03 **Inspect the appendix** >

Open field-guide.pdf at page 23

04 **Continue this walk** >

Jump to page 2 in this PDF

Return to this page to try another destination.

02 / THE RETURN

Keep your place

The original window remains available when you visit the field guide.

05 **Open the field guide** >

Start at its cover in a separate window

06 **Back to the route** >

Return to page 1 in this PDF

Try switching between the two independent windows.

Each document keeps its own page and navigation position.
